CONNECTED SPACES IS NOT YOUR AVERAGE JOINERY MANUFACTURER....

Our experienced team offers a range of specialised services to clients across New Zealand.

The business is backed by decades of knowledge and supported by a multi-national manufacturing, warehousing and distribution network. Our scalable manufacturing capabilities allow our team to offer localised joinery solutions tailored to each project's requirements.

Our expansive range of joinery solutions is suitable for all projects, no task is too big or too small. From boutique builds through to large scale residential developments, our team has the skills and capabilities to deliver the project to you and your clients' expectations.

We pride ourselves on our service and ability to deliver reliable results. Our range of end to end project management services involve design support, delivery and logistics solutions; and assembly and installation. If your project requires an out of the box solution, we will work with you to ensure your needs are met.

DESIGN

Our expert team's knowledge of local and international trends, combined with the latest design technology, can provide you with detailed plans and renders. We can help you choose the most functional layouts and the right style for you or your clients.

MANUFACTURING

Manufacturing capabilities are what sets us apart. Our multi-national manufacturing network boasts state-of-the-art facilities, giving us the greatest flexibility in offering tailored solutions. Our network can meet your requirements, handling large developments as efficiently as small projects.

LOGISTICS

Our vast network of warehousing and logistics solutions allows us to provide you with localised support, scaled to your requirements. We have partnered with the best logistical services in the industry to create an infrastructure network that meets your needs.

SERVICES

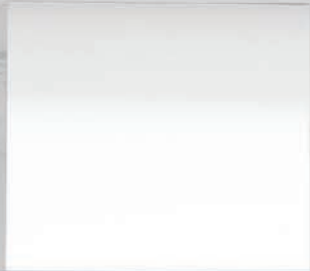

We can offer a range of services to help you complete your project on time and on budget. From design right through to installation, we can provide assistance where required. We can also tailor our service offer based on you and your customers requirements.

PEACE OF MIND FOR YOU AND YOUR CLIENTS

We stand by the quality of our workmanship. Our joinery is built to stand the rigors of time and once installed, it will stay installed.

Connected Spaces offers a 10 year limited warranty on all of the products we manufacture. Where the warranty of one of our quality suppliers goes above this, then we will pass this on to you, ensuring you always have the best protection.
